

Dear Parents,
RE: Stanger Danger

A timely reminder to be constantly reinforcing key messages about 'Stanger Danger' while young people are walking to and from school. Your support with reminding your children would be appreciated.

Here are some suggestions to help your children stay safe:

- always travel in a group
- walk on the right hand side of the road to face oncoming traffic
- wherever possible, leave space between you and the roadway
- stay in areas that are well lit
- stay in view – avoid going into areas that are hidden (such as parkland bush or behind shopping centres)
- be alert – earphones and headphones can reduce your awareness considerably
- if you have a mobile phone, have it turned on and ready to dial an emergency number
- if a passing car stops nearby, never get too close
- run from a situation if you feel at risk
- give this advice to your brothers and sisters, especially if they are younger
- report suspicious behaviour to your parents, school and the police
- if you can get it safely, try to photograph or remember the number plate of the car
- report numbers plates of cars and the clothing or distinguishing features of any individual to police.

Thank you for working in partnership with us.

Kind regards
