

Dear Parents,

Please be advised of the following changes to immunisation and enrolment requirements for kindergarten students as from 22 July 2019, directed by Public Health Amendment (Immunisation Requirements for Enrolment) Act 2019 and the School Education Regulations 2000 being passed on Friday 19 July 2019.

The current 2019 kindergarten students are now required to re-enrol for Pre- primary in 2020 and will also need to provide an up to date immunisation statement as listed below, with their enrolment form. Please also provide your child's Medicare number on the enrolment form.

- An Australian Immunisation Register (AIR) Immunisation History Statement, no more than two months old, with a status of 'up to date'; or
- an AIR Immunisation History Form, no more than six months old, if the child is on a catch up schedule; or
- a valid immunisation certificate issued or declared by the Chief Health Officer.

If your child's immunisation status is 'not up to date' and no other acceptable documentation is provided, parent/cares can apply through the principal for an exemption because of particular family circumstances.

Pre- primary enrolment packs for 2020 will be provided to students who are currently enrolled and within the local intake area for Golden Bay Primary School.

If your child will not be re-enrolling for 2020, or you require further information, please contact the administration office on 9583 8800.

Kind regards

PETA LAWRENCE
