

CONTRIBUTIONS AND CHARGES 2024

Dear Parents and Carers

The Golden Bay Primary School Board has noted the schedule of Contributions and Charges for 2024. The schedule is broken into three sections and provides families the opportunity to calculate and plan for all costs that they may incur across the school year.

1 CONTRIBUTIONS (as per voluntary contribution made by parents under Section 99 of the School Education Act)

Why Pay?

Money collected is used to further support school expenditure for resource materials. When all families pay this small contribution, so much more can be purchased throughout the year to benefit all children.

This year we are looking for your support so that your child can have even greater access to: Information Communication Technology (computers, iPads, robotics, coding), sporting and play equipment, reading materials, classroom resources, and to help supplement programs for the benefit of your child each year.

Your financial support extends the school's capacity to add value to your child's learning experience.

Contributions are \$55.00 per child (years K-6).

This charge was endorsed by the School Board in line with the School Education Regulations 2000.

Incentive Scheme

*Contributions paid for each child by the end of term 3 will be entered in a raffle. The draw will be held in term 4 and parents will be notified by phone. **Winners will receive a complete booklist for the following school year. If in year 6 the student will receive a voucher towards their high school booklist.***
