

Dear Parents,

An Important reminder:

As teachers and parents we must be forever careful in managing cyber safety in the home and at school, and be vigilant in monitoring the young people in our care. I strongly recommend that electronic devices be used in the family area where parents can keep a watchful eye with all on-line use.

I have attached the link to the **eSafety Commissioner's website**. It is a great resource that you may find helpful and gives general support regarding online safety.

<https://www.esafety.gov.au/parents>.

I trust that you find the information timely and useful.

Kind regards,

Peta
