

NDIS Independent Support Coordination

As your Independent Support Co-ordinator we will:

1. **S**upport you to fully understand and implement the funded supports and services in your NDIS plan.
2. **A**ssist you to link with community, mainstream and other government services.
3. **F**ocus on supporting you to connect to providers of your choice that can provide the services you require. This will involve:
 - ✓ Negotiating and understanding what the providers offer
 - ✓ Understanding the costs associated with the services
 - ✓ Ensuring that service agreements and service bookings are completed
 - ✓ Making sure you have choice and control within your plan
 - ✓ Preparing for planning ahead and the plan review process.
4. **E**nsure that you optimise your plan and get the best outcomes from your funded supports.
