

Parent Update - 2 February

Dear Parents,

I trust that this update finds you and your children well. I haven't received any further updates of note to share with you. We appear to be on track to re-open next Monday at this point in time.

OSH Club, our out of school hours service, have confirmed with me that they plan to reopen at the same time as the school. Our Chaplain, Joane Grobbelaar, has reached out to you. If you need to touch base with Joane, you can email her at: Joane.Grobbelaar@youthcare.org.au

Thinking of you.
Kind regards,
Peta Lawrence
Principal
